Re: Application by New York Telephone Company (d/b/a Bell Atlantic - New York), et al, CC Docket No. 99-295

Dear Ms. Salas:

On September 29, 1999, we filed with the Commission the captioned Application by New York Telephone Company (d/b/a Bell Atlantic - New York), et al. to Provide In-Region, InterLATA Services in New York.

As part of that filing, we submitted a separate detailed index of appendices as Brief Attachment C. The paper copies of the Brief Attachment C appear to inadvertently contain an incorrect version of the Appendix I Table of Contents listing documents in the incorrect order (although electronic versions of of the Attachment are correct).

To ensure that the Commission and all interested parties receive the corrections, we are hereby submitting an original plus one copy of the corrected pages to Brief Attachment C. We are also submitting five additional copies, so that each Commissioner may receive a copy.

Under separate cover, we are submitting copies of the same pages to Ms. Janice Myles, Policy and Program Planning Division, Common Carrier Bureau, Federal Communications Commission, Room 5-C-327, 455 12th Street, S.W., Washington, D.C. 20554. We are also submitting copies to the Department of Justice, to the New York Public Service Commission, to ITS (the FCC's copy
